Hello,

I was told at the Public Scoping Meeting in Walsenburg that the maps available at that meeting, which showed county roads, houses and landmarks, would be available online at www.socotransmission.com.

B-036-001 | These maps are not available at this address, as far as I can tell. Where can I view them? I am especially interested in Maps 6 and 7.

Best,
Susan Simons

B-036-001: Public Involvement Process (In Review)

Your email/letter/comment form has been received and your comment noted. The project is in the planning and environmental review stages. Current project information will be available on the RUS project website, <http://www.usda.gov/rus/water/ees/ea.htm> and the Utilities' project website, <http://www.socotransmission.com/>.

The Environmental Impact Statement is anticipated to be completed in late 2010 and will be available at <http://www.usda.gov/rus/water/ees/ea.htm>.
